

# The TempArmour® Vaccine Carrier

## Qualified Container and Packout for Vaccine Clinics and Transportation

### Consistent, stable temperatures within 2–8 °C

- Transport: 3 days when kept closed the entire time\*
- Clinics: 8+ hours when opened and closed\*\*
- Uses proven PCM and vacuum insulated panel (VIP) technologies
- Eliminates complicated packout procedures
- No electricity or ice packs required
- Easy conditioning of panels in refrigerator or freezer

\* 3 days – actual time varies and is dependent on many factors (ambient temperature, etc.)

\*\* 8+ hours is based on opening and closing every 5 minutes; actual length of time varies and is dependent on many factors (ambient temperature, etc.)

### INCLUDES

- Folding, lightweight cart
- Durable and functional bag with multiple pockets and other features to securely hold your vaccines, documents, data logger, etc.
- IR thermometer (industrial type for determining temperature of panels, not people)
- User Guide specific to vaccine transport and management
- Laminated instruction card

### Purpose-built for Vaccine Management and Emergency Response

#### The Carrier can be used for Refrigerated and/or Frozen Vaccines:

The VCT-4 Vaccine Carrier includes PCM Panels for Refrigerated Vaccines (2–8°C/36–46°F).

*Model VCT-21 includes PCM Panels for Frozen Vaccines (-50 to -15 °C). Sets of VCT-4 or VCT-21 PCM panels are interchangeable and can be purchased separately.*

# TempArmour® has a brand new Vaccine Carrier!

## Improvements over our previous Carrier:

### *Fits more vaccines:*

- **57% more** volume to fit significantly more vaccines!
- A minor increase in overall bag dimensions is barely noticeable

### *More secure locking:*

- D-rings to use with a padlock or zip ties

### *Easier to handle/move:*

- Handles on each side and a removable shoulder strap

### *3 pockets:*

- A large clear pocket at the front with a velcro closure for easy access items
- A large clear pocket at the top with a zipper
- A zipper fabric pocket at the back for more private/personal items

**Same price as before and still includes all the accessories that we have always provided.**
